TOWN OF CORONATION

CURB RAMPS:

With winter coming we ask that residents remove all curb ramps as the Town will not be responsible for loss or damage to them from snow removal.

MOBILE TRAILER OWNERS:

Winter is coming so please insure that your heat tapes are working. The Town will not be responsible for water usage (loss) because of frozen water pipes bursting due to heat tape failure. In such cases the owner will be responsible for the cost to replace water meters and for the loss of water.

Thank you for your attention to these matters.

Public Works Staff

BOWLING ALLEY NEWS

The youth league has been loads of fun this year, but I would sure like to see more kids come out. The more the merrier. The Choosewell Society has graciously offered to provide some healthy snacks every two weeks for the kids. Youth Bowling will be on the following dates: November 26, December 3, and December 10th. No youth bowling on December 17th.

The adults had a tournament on Friday November 16th and despite the weather and roads good times were had by all. To book the Hall or Bowling Alley call 403 578 3443

Empty Oil Jugs and Pails

A lot of empty oil jugs and pails are being placed in the regular garbage bins. At Castor and Coronation, the jugs and pails can be recycled. Please ask the Attendant where they can be placed for recycling instead of going into the garbage bins.

Recycling Frustration

We see so many recyclable materials being placed in garbage bins. All types of materials from recyclable beverage containers, cardboard, plastics and metals in most cases can be recycled. If you are not sure what can be recycled please ask the Attendant on site or visit the County of Paintearth No. 18 webpage and under Paintearth Regional Waste Management Ltd. look under Accepted Waste and Where You Can Take them. We can do a lot better job recycling by taking some time to sort and place materials in their proper places.

Merry Christmas and Happy New Year

The Board of Directors and staff wish everyone a Merry Christmas and all the best in Health and Happiness in 2019.

BYLAW REPORT - OCTOBER

Dog calls-6, Fines-2, Reports-1, Misc-2, Overweight-2, Derelict vehicles-1, Trailers-1
 The weather cannot seem to decide if it's winter or spring. Some days it feels like both throughout the day. Welcome to Alberta weather. Sidewalks are now going to need to be done again so please remember that you have 48 hours to clear your sidewalk of snow and ice. We have many people who love to walk in the winter too.
