Come help us celebrate Sandra Kulyk's retirement!

Come and Go Open House

July 31, 2019

1pm – 4:30pm

Coronation Town Office

Refreshments and Cake

Provided

STRAY CATS

The Town of Coronation has a cat trap that can be borrowed for the trapping of stray cats. There is a \$50.00 refundable deposit fee that is required prior to receiving the trap. Residents are required to follow all guidelines set out in the cat trapping policy. Contact the town office to book the cat trap. The bylaw officer may pick up the stray cat and try to locate the owner, re-home, or transfer to an approved shelter. Only cats will be transferred by the bylaw officer.

Coronation Fire Department

It is with great sadness we note the passing of Gordon Twa. Among the many organizations he was a part of, Gordon was a member of Coronation Fire Department for more than 35 years, a remarkable commitment and achievement serving the community for all those years, and a wonderful example for us to follow. He will be greatly missed by all.

The Department has started the ongoing task of replacing out of date bunker gear, this was greatly helped by a substantial donation some time ago from Steelhead Petroleum. The new bunker gear is much lighter, cooler, more visible and offers the very best in protection for our firefighters. We were also successful in obtaining a partial grant towards the purchase of wildland firefighting gear. We look forward to getting out in the community during the summer months throughout all the many great events in the town of Coronation! Come and say hello next time you see us out and about.

Summer is finally upon us and with that brings all the summer activities that we enjoy. Before you head out on your camping trip here a few tips to help make your trip a safe and enjoyable time.

- Test and ensure your camper smoke alarm and carbon monoxide alarm are functioning
- Check your propane lines for cracks and leaks
- Ensure generators are used in well ventilated areas
- Keep gas and flammable sources well away from campfires and out of reach of children.
- Check your camper batteries are in good condition and have not frozen and cracked over the winter, and all connections are tight and battery covers are on.
- It's a great idea to carry a first aid kit in your camper including treatments for burns and stings. Also know the emergency contact numbers of where you are camping

CORONATION LIBRARY

The Coronation Memorial Library would like to give a huge Thank You to Coronation Elks No. 360 for their generous donation to the TD Summer Reading Program! Thank you for all your support!

CORONATION TRANSFER STATION/RECYCLE SITE

Agricultural Plastics and Recycling

The Agricultural Plastics Recycling Group have selected Cleanfarms as the Pilot Program Operator for the three-year pilot program. Cleanfarms will handle program logistics including collection and transportation to recycle the materials. Paintearth Regional Waste Management Ltd. has offered one of our transfer stations for the pilot program. We will have to wait for their response whether our area will be included in the program.

Ag Chemical Jugs

As spraying time comes around, please remember to remove all labels and caps from chemical jugs before bringing them to the transfer stations. Also rinse the jugs properly so that no chemical residue is left. On a yearly basis we collect somewhere between 6,000 to 10,000 jugs. It takes a lot of time and effort to make sure that all the jugs will be acceptable to the recycler.

Styrofoam Packaging

Remember to remove all Styrofoam packaging from your cardboard or other recyclable materials. Presently there is no way to recycle Styrofoam. All Styrofoam must be placed in the regular garbage bins.

Remember to Tarp and Tie-Down Your Loads

BOWLING ALLEY

The Bowling Alley and the Hall are available for rent during the summer months. The Hall is a great place for a family reunion or a larger family gathering. The kitchen is included in the Hall rental as well.
 Call 587-219-0503 to book the Hall or Bowling.

BYLAW NEWS -MAY

Dog calls - 4, Trailers - 3, Unsightly - 4, Overweight vehicle - 1, Reports-2
 Council has passed a new bylaw pertaining to the number of unregistered vehicles that are permitted in residential and commercial lots. The new bylaw states that only one unregistered or dilapidated vehicle is allowed.

POOL NEWS

The new Pool schedule for July and August is included here and available on the website as well as at the Pool. The water is warm, the hot tub is hot, and the lifeguards are excited about lessons starting. Be sure to book early to avoid disappointment as some levels are getting quite full.

Lane swimmers will certainly be happier with the new schedule as more lane swim time will now be available. Aquasizes start July 2nd and will run every Tuesday and Thursday morning from 7-8 am.

AQUASIZES

Tuesday and Thursday
 Mornings
